

0800stores – Returns Form

Before returning an item to 0800stores, you MUST read & agree to the terms & conditions below. Please indicate this by signing at the bottom of the page (unsigned forms will not be accepted).

Unwanted Goods:

Unwanted goods must be returned to us within 7 days of receipt of your order for a full refund for any reason. After 7 days we reserve the right to refuse opened and/or unwanted goods, or to charge a discretionary re-stocking fee of £5 or 7% of the value of the goods, whichever is the greatest. All unwanted goods must be returned in a re-sellable condition, including all documentation & CD-Roms.

Items Faulty on Arrival:

If your items are faulty on arrival, you have 28 calendar days in which to inform us of the fault. Once the item has been returned & we have verified the fault, we'll issue a replacement unit to you or if this unit is no longer available, we will send a suitable alternative. We test all returned items, and if a returned item is found not to be faulty by our staff we will return the item to you, in this instance you will be liable for the return carriage.

Items Faulty Within Warranty Period:

If any of your purchases develop a fault after 28 days of delivery, you are entitled to a warranty repair or replacement, as long as we are informed within 12 months of purchase. In some cases, manufacturers provide a specialist warranty service, we recommend that you contact them prior to us, for a faster turn around time. If the item you have returned is no longer available, we will ship a suitable alternative.

Postage:

All returned items must be sent by recorded post (not Special Delivery or Courier), as we are not responsible for un-received goods. The cost of returning items is the responsibility of the customer, except where we are at fault. In this case, we will reimburse any postage costs incurred. When returning goods

- You should always contact us if you are unsure if you can return an item to us.
